

# Homecoming2023! Bulletin #4

August 27, 28, 29, 2023

## DONATING STORIES/ARTEFACTS!

- ◆ **You may recall** some commentary related to bringing images, written accounts or artefacts to the Homecoming/Anniversary. We feel that **many of you may have perspectives or information** that can contribute to a fuller picture of Jasper and our history. Please note the following request from our Collections Manager and Archivist if you have items that might **enhance our understanding or appreciation of Jasper's stories**, and would consider donating them for **all to enjoy...!**

“If you have artefacts, documents, or photographs that might add to our museum and archives' collection, please contact our collections manager, Alexander Storing [[collections@jaspermuseum.org](mailto:collections@jaspermuseum.org)]. Donated items go through an accession process where a formal decision is required to recommend acceptance of the item(s) into the collection. It is often easier to consider a donation by looking at a photo, rather than sending us the materials or us seeing it for the first time at the Homecoming. The best course of action is to provide several photos, at multiple angles where applicable, and/or provide as much background information as possible via email. Once an informed decision has been made, we will contact you with all necessary paperwork.”

- ◆ **Of course, don't be shy** about bringing **anything** you'd like to share with fellow participants.

## JASPER REFLECTIONS, Edition Two...?
