**FACEBOOK IS LIVE— search for or select link. . . And expect to be “invited”.**

As the end of 2022 nears, **we are pleased to report** that we have received quite a number of registrations **for the Homecoming**. Thanks to all who could see their way through to commit earlier than later, as it is certainly helpful as the planning for the Homecoming evolves.

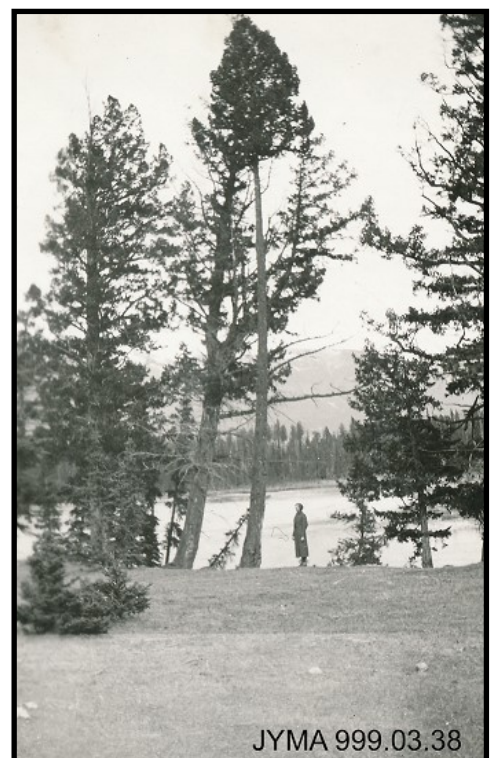

Often people ask us, **'Who is coming?'** This is a good time to publish a list of the people who have registered thus far. We are hoping it will be an incentive for many more of you to register in the coming months. **Read on to Page 2** to see who has registered and is planning on coming! **Registration help?** Contact Joyce at (250)222-7552.

**With the FaceBook** page going 'live' people can **communicate with each other** using that platform - in fact we do hope it becomes a **favourite stopping place** in the months ahead!

**In keeping with the “teaser images” placed on Bulletin # 1 and the “Save the Date”, here is one more . . .**

We have not confirmed the nature or even existence of the “contest”, but it may be worth your while to keep track of images—two already shared, and now this one...

**What is the significance of the image placed here?! Origin? Purpose? (Some would say this is an easy one . . . But?!)**
